

Dear Meir,

Thank you for all your hard work moving our office. It was a pleasure working with you and your team. Everyone was helpful, responsive and professional. Although moving day is always long and difficult, you guys made it as easy and painless as possible. Thanks to you and your team we were able to move our entire office in one day and to start this week fresh in our new home. I appreciate all your patience with our many changes and unique problems. You kept a smile on your face at all times which allowed me to relax. Thank you again for such outstanding work.

Best Regards,
